

Download Buenos Aires Street Guide

Buenos Aires doesn't just have a brilliant cafe culture – it has 82 cafes of historical interest, known as bares notables, that are protected national monuments. All ooze a faded, old-world ...Zum Hauptinhalt wechseln. Prime entdecken BücherMy very first work was just published. It is an unusual street guide that gives the history behind the names. A hard copy is available on Amazon and Barnes...Buenos Aires Street Guide. Who was that guy? Why that name? What happened on that date? What's behind the names of the main streets in downtown Buenos Aires? It's hard to believe, but those were burning questions of an American recently arrived in Buenos Aires. I wanted to know all I could about my adopted country and found the streets to be a ..., Buenos Aires Street Guide.
