

# Download Global Connections

Global Connections, Inc. is one of the most respected providers of travel fulfillment services in the industry. Wherever you want to go, Global Connections' wide range of travel and leisure products and services will help you get there. The Global Connections Fund (GCF) is a project of the Australian Academy of Technology and Engineering and is supported by the Australian Government. The program consists of two forms of funding; Priming Grants and Bridging Grants. Explore these six themes for a general overview of events, trends, and issues in the Middle East. Each essay includes links to activities and related resources appropriate for the high school ...Contact Us.
