

# Download The Future Of Capitalism Facing The New Anxieties

From world-renowned economist Paul Collier, a candid diagnosis of the failures of capitalism and a pragmatic and realistic vision for how we can repair it. Collier has set for himself [the task] to re-establish the ethical character of social democracy. This is an important book for anyone concerned at the state of modern politics and our liberal democracies. *The Future of Capitalism: Facing the New Anxieties* – Die besten Produkte.
